At OWIS, we believe education extends beyond the classroom walls. Our fully integrated ACES Programme offers sport, club, academic, care, and activity opportunities for internal and external students. Supported by professionally trained and certified teachers and coaches, we foster academic, ethical, social, and physical development, creating a holistic and enriching experience for all participants.

## Our ACES Programmes

OWIS School Clubs	Competitive Sports Teams
For children aged 5+, clubs provide applied and active learning opportunities, nurturing curiosity, creativity, critical thinking, and passion. Activities include various sports and arts, such as Hip-hop, Art, Pottery, and the new Physical Education (PE) Club. Clubs are held from 4 PM to 6 PM on weekdays after school on campus.	For ages 6+, these teams (soccer and basketball) are for players dedicated to their sport of choice. They train from 4 PM to 6 PM on weekdays after school on campus. Players receive uniforms, and as teams progress, matches against external opponents will be arranged when coaches determine they are ready.

It offers three levels—Basic, Intermediate, and Advanced—to cater to different proficiency levels. # OWIS Osaka ACES Programmes

*Aftercare, Clubs, Extracurricular & Seasonal Programmes*

- **Competitive Sports Teams (Soccer and Basketball):** Students are expected to follow instructions, demonstrate teamwork, and maintain respectful behaviour during training and matches. Refusal to participate or blatant disregard for instructions may lead to removal from the team, with a possible option to join another club, such as the PE Club, depending on the circumstances.
- **Intensive English Programme:** Students are allocated to a level (Basic, Intermediate, or Advanced) based on recommendations from their homeroom teacher, AEP teacher (if applicable), and the Intensive English teacher if they are already in the programme. The assigned level determines the days they attend. Enrolment requires attendance at both sessions per week, and this commitment takes priority over sports teams and clubs.
- **Aftercare and Study Hall:**
  - **Scheduling:** Parents must select days and hours in advance for the term. Sessions are fixed and cannot be changed mid-term. Both programmes run from 4 PM to 6 PM on school days, divided into two one-hour blocks.
  - **Billing:** The cost is ¥1,500 per hour (plus 10% tax) and must be paid in advance for the entire term.
- **Registration and Billing Policy:**
  - **First Session Policy:** The free trial system is no longer in effect. Students may attend their first session without immediate payment and will be billed one week after their first session, but should only register if they intend to continue.
  - **Billing Process:** If parents do not wish to proceed after the first session, they must notify us within one week. Otherwise, the full-term fee will be billed.
