

OWIS Referral Programme

At OWIS, we are all about building our community. Many of you who visit our campus tell us that you were informed about OWIS by a friend or family member, so **THANK YOU** for sharing our school. We will always seek new ways to give back and contribute to our community. In this spirit, we are introducing the OWIS Referral Programme, an opportunity for you to share the decision you've made with others who are important to you. This referral programme is a special way of thanking you as an OWIS parent for your trust and partnership with our school.

A referral is the highest honour we can receive from our OWIS family.

Either the referrer or referee can fill out the form. All you have to do is print it off and fill it out, and the referee should bring it with them when they visit the school.

Please enter the details of the referee (parent interested in coming to OWIS):

What are the benefits for you?

Taking part in this programme offers benefits for those on both sides of the referral. The family who is referred receives a **¥10,000** reduction off each student's second-term tuition fee. The family who refers the new student(s) will enjoy an Amazon voucher worth **¥10,000** for each student that enrolls, once they have been enrolled for at least one school term.

Terms and Conditions for the Referral Programme

- ✓ The referee should not have been received previously by the school via its online portal, except to arrange a meeting with admissions. The referred parent should mention the referrer on their first contact with OWIS, in the message box on the form, in an email, or at their first visit to the school, and no later than the time of admission.
- ✓ We'll offer one referral bonus per student that successfully enrolls. There's no limit to the number of times a referrer can claim the referral bonus.
- ✓ OWIS reserves the right to make all final decisions regarding the programme and payment
